

JOBS & CAREERS IN AQUATICS

Learning to Swim is more than a lifesaving skill,
it can lead one to some of the most exciting adventures and career pathways.

We invite you to watch where swimming led some of our friends...

“Learning to swim, led me to...”TM **PSA** campaign was created to inform and inspire individuals about exciting adventures and career opportunities one can enjoy from learning how to swim.

The multi-series, PSA video campaign showcases a wide-range of individuals and groups from around our community who credit their path to personal growth, success, and accomplishments in sports, academics, recreational activities, and careers from learning to swim.
